## Curriculum Extension Week - Year 9 (SDCC)

As we approach the Summer Term, we have some exciting news!

We have been busy planning a series of activities for students in the final week of the academic year to ensure they finish Year 9 continuing to create lifelong memories.

As part of the week, students will participate in a range of activities that celebrate our local area; be involved in problem-solving activities; participate in a whole school Sports Day; and come together to celebrate the end of the year. There will also be department led activities on site throughout the week. Further details will be shared during the Summer Term.

As part of the adventure for Year 9, all students will be going to Splash Down (Quay West) by coach.

We have subsidised the cost to ensure all students can participate in this exciting week which looks to enrich the World Class curriculum we offer. Therefore, the final cost for students, to cover the week's activities, is £30 and can be paid via the MCAS app. This payment will go live on Monday 20th April and can be paid in installments if necessary (April - £10; May - £10; June - £10). The deadline for payment is June 30th.

Further details of the week's activities will be released during the Summer Term.

We hope your child is looking forward to the week as much as we are.

Yours faithfully,

Mr Oakes  
Head of School

Anita Frier, Headteacher
