

April 2026

Curriculum Extension Week - Year 7

As we approach the Summer Term, we have some exciting news!

We have been busy planning a series of activities for students in the final week of the academic year to ensure they finish Year 7 continuing to create lifelong memories.

As part of the week, students will participate in a range of activities that celebrate our local area; explore other cultures and diversity; participate in a whole school Sports Day; and come together to celebrate the end of the year. Further details will be shared during the Summer Term.

As part of the adventure for Year 7, all students will be splashing around swimming in Plymouth Lido during a morning/afternoon session (depending on which tutor group they are in) and having a boat trip over to Drake's Island including a private tour. There will also be department led activities onsite, throughout the week.

We have subsidised the cost to ensure all students can participate in this exciting week which looks to enrich the World Class curriculum we offer. Therefore, the final cost for students, to cover the week's activities, is £20 and can be paid via the MCAS app. This payment will go live on Monday 20th April and can be paid in instalments if necessary (April - £7, May - £7, June - £6). The deadline for payment is June 30th.

Further details of the week's activities will be released during the Summer Term.

We hope your child is looking forward to the week and the Summer Term, as much as we are.

Yours faithfully,

Mr Oakes
Head of School

Anita Frier, Headteacher
