

Curriculum Extension Week 2026

Name:	Year 9
Dates:	10th - 17th July

Overview

Throughout the week, students will participate in a variety of activities which explore our local culture, history and diversity. Students will visit Splash Down (Quay West) by coach on Monday. Whilst in school, students will participate in a number of theme based activities. Students will be split into two groups for these activities - Group A Blue (9.1-9.6); and Group B Yellow (9.7-9.11) When off-site, students will be split by tutor group.

Please see below a timetable for the week. All students must attend morning line up to ensure they hear important information for the day ahead.

Group	Friday 10	Monday 13	Tuesday 14	Wednesday 15	Thursday 16	Friday 17*
A	Sports Fest	Splash Down	Theme based learning activities (students will follow their normal timetable)	Carousel Day 1 Period 1 Curriculum Activities Period 2 Inflatables	Carousel Day 2 Period 1 Curriculum Activities Period 2 Royal Navy	Celebration Day
B	Sports Fest	Splash Down	Theme based learning activities (students will follow their normal timetable)	Period 3 Wise Up	Period 3 Wise Up	Celebration Day

***Please note, Friday 17th is a half day, so students will finish school at 12:30pm.**

Theme based learning/Curriculum Activities: Departments are planning individual sessions which explore exciting ideas and big questions within their subject area. Students will explore big ideas and work together on projects within the lesson.

Examples include:

Media - *Music Video Remix*

A vampire has sabotaged a selection of music videos. Can you use your video editing skills to put them back together?

History - *Who is the worst killer in History Working with others your job is to consider all the evidence,*

weighing up the motivation / numbers they killed/ who were their victims . To decide who deserves the title of 'Worst killer in History'

Science - *Who stole the school's supply of Golden Tickets? Using forensic science and your crime fighting skills identify who robbed Miss Rogers of the school's most precious items of value. Earn the chance to win the legendary mythical platinum ticket and find out what power it holds!*

Wednesday and Thursday will be 3 Period days. Each activity will last for 1 ½ hours.

Inflatables: Take part in a session of fun and teamwork. Games are designed for students to win valuable house points, all adding to our end of year totals.

Wise Up: Building on our Culture of Kindness, students will take part in a range of team building tasks and activities. Wise Up is an organisation that works with whole year groups - all at the same time. Be prepared to work hard and have fun.

Royal Navy: Fitness is the key. Take part in a physical session run by Personal Trainers from the Navy.

Sports Fest: A range of activities that students compete in for their House, including capture the flag, athletics, benchball, competitions and many more activities.

Food will be available between 11:00-12:00 on the Key Stage 3 playground. Students will be able to purchase food through this service using the normal method. Free School Meals will be available from this point.

All students will be given a free ice cream but can buy more if they wish from the ice cream vans that will be onsite.

Tuesday - **Carousel Day 2** (PE kit/school uniform)

Friday - **Celebration Day** (PE kit/school uniform)

Important information

Risk assessment:

All activities have been risk assessed by both the school and external providers and approved by our External Visits Coordinator. If parents/carers wish to see a copy of this full risk assessment, they can do so by requesting a copy from the school.

Food:

Students should bring a packed lunch with them on Monday.

Normal canteen provision will be available on Tuesday, Wednesday and Thursday.

Food will be served during Sports Fest on the Key Stage 3 playground.

Free school meals will be provided throughout the week.

Personal items:

Any personal items such as phones, watches, books, headphones etc. that the students wish to take with them on the trip, will be their responsibility and the College cannot be held liable for any misplaced or broken items.

Non-uniform days:

We appreciate that students will want to wear their latest fashions on this day, however, we request that suitable clothing is worn. Students should wear clothing that covers midrifts, shoulders and covers above the knee. Nike Pro shorts are not acceptable. Footwear must be sensible i.e. trainers, and not be open-toed as this poses a health and safety risk.

Conduct and expectations:

Whether on-site or off-site, we expect students to behave in a sensible, calm and orderly manner at all times. The College reserves the right to extract a child from an event should their behaviour be a risk to themselves or others.

Absence:

Activities have been paid for in advance of this week, therefore should your child be unable to attend, we are unfortunately unable to refund any costs as the school is unable to retrieve these from the providers.

Should your child be absent during this week, please contact the school as normal to report their absence on each day.
