Year 12 Subject Information Event - Wednesday 23rd September, 5:45 - 7pm

Dear Parents and Guardians,

We hope your child has thoroughly enjoyed their first week with us and is already beginning to feel at home. It has been a real privilege welcoming this new cohort into our sixth form community, and we have been really impressed by their energy, focus, and positive approach to their studies so far.

The transition from Key Stage 4 to Post-16 study, whether taking A-Levels or BTECs is a major milestone. Sixth form brings with it a shift towards greater independence, deeper subject exploration, and higher academic expectations. To ensure your child feels confident, supported, and fully equipped for this journey from day one, we warmly invite you to our Year 12 Subject Information Event on Wednesday 23rd September, from 5:45 PM to 7:00 PM.

This evening is designed to give you a clear window into your child's academic world, offering insights into course structures, recommended study materials, and practical strategies for effective independent learning. It is also a valuable opportunity to meet the dedicated staff who will be guiding and supporting your child over the next two years.

5:45 PM - Main Hall: A brief welcome address introducing our key support staff, sixth form vision, and guidance on navigating Post-16 study.

6:00 PM – 7:00 PM - Subject Department Visits: An opportunity to visit individual subject areas, view course specifications and revision resources, and speak directly with subject specialist teachers. Light refreshments will be available in The Street throughout the evening.

We strongly believe that a close partnership between home and school is key to every student's success and well-being. While advance booking is not strictly essential, it would assist us greatly with catering and seating if you could kindly confirm your attendance using the link here: [Yr 12 Subject Information Event booking form](#)

Thank you for your continued support. We very much look forward to welcoming you on the 23rd and working together to help your child achieve their full potential over the coming 2 years.

Warmest regards,

Mrs Lucia Gallie,

Assistant Headteacher, Director of Sixth Form

Mr M. Oakes, Headteacher
