

Community College

Dear Parents/Carers,

20th November 2020

Reports - Advice and Guidance 2020

As a College we have made the decision to no longer issue target grades for students as research suggests that this can have a detrimental impact on their academic performance.

Instead, we will share with students and parents how they have performed in their end of cycle assessments and also include the class average. If a student was absent for the assessment or has not done it for any reason up to the time of printing reports then this will be blank. If you require further information about that subject then please email the teacher. Email information is on the report.

We will continue to report on the students' effort as well as their pride, the criteria is shared overleaf.

If you have any questions please contact your child's Learning Manager for generic enquiries or their subject teacher if you have a specific subject question.

Kind regards

Craig Follett
Vice Principal

Executive Principal Miss A Frier BSc (Hons), M.Ed
