

9th September 2021

Dear Parents/Carers

I would like to thank you for the support you have given in ensuring that all our students are ready to start the new academic year. All students have returned looking smart in their Stoke Damerel uniform and are a real credit to you and our college.

Our new Year 7 students are settling in extremely well and are enjoying their new school experiences. Our Sixth Form students achieved excellent A level results and have all now left for University or further training. Our Year 11 students were delighted with their results yet again the majority of whom have now enrolled for our Sixth Form courses. Our full results will be detailed in our next newsletter, due out later this month.

As you know, next week includes one of our most important events of the year, our Open Evening for Year 6 students and their parents. As usual many of our current students will be helping staff and parents on the evening and I give our thanks for the support that you and the students give to this annual event.

To allow time for the preparation of this evening and time for students taking part to return to College, we will dismiss students at 12.20 pm on Wednesday 15th September.

Students entitled to a free school meal will be provided with a packed lunch. The rest of the week will be a normal timetable.

If this arrangement is difficult for you, we are able to offer supervision for Year 7 & 8 students in the Library until 3pm. Please contact your child's tutor to confirm your request.

Thank you again for your continued support.

Yours faithfully
