

Dear Parents / Carers

## Proposal for Inspiring Schools Partnership to join the Greenshaw Learning Trust.

The Board of Trustees for Inspiring Schools Partnership (ISP) is proposing that the three schools that form ISP – Stoke Damerel Community College, Scott College and Montpelier Primary School, should join the Greenshaw Learning Trust. ISP already has a strong relationship with the Greenshaw Learning Trust and this is the natural next step to further strengthen and benefit from the partnership.

The Greenshaw Learning Trust is an established and successful multi academy trust with primary and secondary schools in South Gloucestershire, Gloucestershire, Bristol, Berkshire and South London. Inspiring Schools Partnership, along with a number of other schools in Plymouth, has informally worked with the Greenshaw Learning Trust for the last two years and this collaboration has helped deliver school improvements. As part of the Greenshaw Learning Trust, Stoke Damerel Community College, Scott Medical and Healthcare College and Montpelier Primary School will maintain their ethos and place at the heart of their local communities, whilst benefiting from the additional quality support services and efficiencies from being part of a larger multi academy trust that will ensure the schools improve and provide the best start in life to all its students.

Subject to the necessary agreements being reached between Inspiring Schools Partnership, the Greenshaw Learning Trust and the Department for Education, it is expected that Stoke Damerel Community College, Scott Medical and Healthcare College and Montpelier Primary School will join the Greenshaw Learning Trust on 1 January 2021.
