Introduction

This policy statement sets out Stoke Damerel Community Colleges (SDCC) arrangements for managing the access of providers of education to pupils at SDCC for the purposes of giving them information about the provider's education or training offer. This complies with Stoke Damerel Community College's legal obligations under section 42B of the Education Act 1997.

Student entitlement

Students in Years 7-13 are entitled to:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships-through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Sarah Trezona, Careers and Employability Manager, Telephone 01752 556065, Email strezona@sdcc.net

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

Access arrangements

Please speak to our Careers and Employability Manager who will be able to identify the most appropriate opportunity for you.

Premises and facilities

The school will make the main hall, classrooms or meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available audio visual and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Prospectus

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resources Centre, which is managed by the Careers and Employability Manager.
