Dear Parent/Guardian,

Your Year 8 child is now due the HPV (Human Papilloma Virus) vaccine, this will be delivered by the School Aged Immunisation Team of Nurses, at your child's school.

For more information and to enable your child to receive this important vaccine it is ESSENTIAL that you complete the online consent following the link below.

If you do NOT want your child to receive the vaccine then please also complete a form stating that you do not want them to receive the vaccine, this means we will not chase further.

If the link is not working for you, please try to copy and paste it into your internet address bar. If it continues not to work OR you are having any other problems then please contact our designated team on 0300 247 0082 and they will be able to help.

Please also note that Virgin Care has been re-branded to HCRG Care Group and as such you will soon see a change in the branding but we remain the same team providing the service.

If you have a child in Year 9 or 10 that you have not already consented for, but would like to, please contact our team on 0300 247 0082 and they will be able to assist you with this. This link is for children in Year 8 only.

Thank you  
School Aged Immunisation Team
