

Community College

Dear Parents and Carers,

Re: Physical Education Kit Expectations and Procedures

We hope this letter finds you well. As we move further into the term, we would like to take this opportunity to remind you of our expectations regarding Physical Education (PE) kit and inform you of important procedures that will take effect from **Monday 13th October**.

PE Kit Expectations

To ensure all students are prepared for lessons and represent the college appropriately, students are expected to wear the **full college PE kit**, which includes:

- Official **college PE top and bottoms (shorts, leggings or skort)**
- **White socks** or **blue college football socks**
- Suitable **sports trainers** or **football boots** (depending on the activity)

Forgotten Kit Procedure (Effective from Monday 13th October)

If a student forgets any part of their PE kit:

- They will receive a **standards infringement**.
- They will be required to attend a **detention during their next available breaktime**.

Please note:

- All students are expected to get changed for PE lessons even if they are not participating physically, unless they are medically unable to do so (e.g. due to an injury such as a broken wrist).
- If a student forgets their kit but brings a **signed note from a parent/carer** explaining the reason, they will **not** receive a standards infringement. However, they will still be expected to **borrow kit** and participate in a non-physical capacity.

Spare Kit Available

To support students, the PE department holds a supply of **spare PE kit, trainers, and boots**, which can be borrowed when necessary. This ensures that all students can still take part in lessons and maintain their learning experience.

We appreciate your support in helping students meet these expectations. Bringing the correct kit each lesson maximises learning time and ensures your child gains the full benefit of our PE curriculum. We appreciate your support in helping your child come prepared and ready to engage.

If you have any questions or concerns, please do not hesitate to contact the PE department.

Thank you for your continued support.

Yours sincerely,
Miss Le Page

Physical Education Core Curriculum Lead
