

**Stoke Damerel Community College**  
**Sixth Form Next Step Evening**  
**Thursday 29th January 2026**  
**Arrival 5pm**

Dear Parent/Carer

Stoke Damerel Sixth Form team takes great pleasure in welcoming you and your Children to our annual Next Step evening on Thursday 29th January 2026. This is a very important evening for us to share all the information you need to know regarding your children's next steps into Stoke Damerel Community College Sixth Form.

The Next Step evening starts with a short presentation in the Main Hall starting at 5.15pm. After this, students will have the opportunity to speak with staff, collect information and take part in mini activities related to these courses. Current Sixth Form students will also be available to speak with your children as well as the Sixth Form and Careers Team about the range of courses and pathways we have available.

This is such an important stage in a young person's life, with many decisions and plans to be made. We are sure you will want to share this evening with us and help your children to be successful in making the right decision for them.

Individual information, advice and guidance appointments will commence towards the beginning of February where you have the opportunity to accompany your children to discuss their future plans post 16.

Free parking will be available in the City Business Park adjacent to the College site and we look forward to welcoming you through our Main Entrance.

We look forward to seeing you at this event.

Yours faithfully,

Mr Martin Tinkler  
Head of Sixth Form

## What to expect?

### Meet the team

Come and meet the leadership team. Ask questions and learn all about the things you'll learn within lessons, valuable activities outside of the classroom, and amazing extra-curricular opportunities.

### Talk to current students

Gain an insight into a 'day in the life' of our current students. Learn more about school life, lessons, facilities and even a few handy pointers!

### Tour the facilities

Start to get familiar with your new college surroundings. See the fantastic facilities available and the areas where you'll spend time.

### Exclusive Opportunities

Our high-quality curriculum prepares students for specialist qualifications, supported by a rich and varied extra-curricular offer including work placements, trips and post-18 guidance to help you explore pathways, qualifications and the wider curriculum.
